Effectiveness:

Give a brief description of evidence you have that demonstrates effectiveness of your program/services. (This will be shared with parents).

Over the past three years, participants in Shreve's reading program that have taken the Gates McGintie test have
consistently tested between .5 and 1 grade level above their initial reading level. A father of three participants stated
that since they've participated in the reading program, his children have shown a greater understanding and a
willingness to excel in their school work.
